

MOLLY and the Magic Suitcase

Molly and the Magic Suitcase: Molly Goes to Rome Instructor Resources

Suggested Lesson Plans

Ask students where they have traveled. The accompanying sheets may be colored to indicate states or countries.

Ask students what they know about Italy. Do they know any cities? Are they aware of foods that come from Italy? What else do they know?

Share the book with the students, ideally projecting the images with an overhead or using an electronic edition connected to a projector.

Questions from Text

- What did Molly and Michael learn about spaghetti?
- What was your favorite place they visited?
- What was one of the Italian words Marco taught them?
- Where did Michael get a picture with the gladiator?

Activity Question (s)

- What places would you show Molly and Michael if they visited?
- When you think about places you've been, what made it fun to go there?
